- 52 local WhatsApp-groups with over 4.000 members
- Over 2.000 initiatives listed

- In the Netherlands, 47.6% of the population over the age of 15 does volunteer work
- That is 6.6 million people who do this for an average of 4.2 hours per week.
- That's 28 million hours per week, 1.52 billion hours per year.
- Against the average hourly wage of € 23.14, that is € 35.1 billion in contribution to our society (CBS).
- That is 4.3% of the GNP. Agriculture contributes 1.4%.

PROGRAMMA SAMEN!

LOKAAL | BURGERKRACHT | BORGEN

House of Active Citizenship

What can organizations do?

- Start with what is already there and ask what is needed
- Make sure you know initiatives and key figures
- Join an initiative or start one yourself
- Help form coalitions
- Go outside, as a person: outbound instead of inbound
- Always look for ways to do it
- Uncertainty is not a risk
- First look at what is already there before starting a new research and research by doing
- Different purchasing strategy

What can residents do?

- **Work together and form coalitions**
- **Create an app group**
- **Be a reliable partner**
- **Monetize the value you have for others**
- **Enforce equality, lovingly**
- **Show that, and how it can be done, change by example**
- **Know the key people**
